evilevilcouch@gmail.com: hey baby i want to bring some of my stuff to my place

evilevilcouch@gmail.com: i haven't been there in forever

evilevilcouch@gmail.com: i've bscly been living at your place for the past month

evilevilcouch@gmail.com: i love being with you but i need to stay at my place till your life evens out a bit

evilevilcouch@gmail.com: i don't have my own space there

evilevilcouch@gmail.com: i require my own space

evilevilcouch@gmail.com: it's hard for me to get the resolve to do all that though cause it's supa cold outside and i love being with you

evilevilcouch@gmail.com: again, like i said, it's like i'm sorta addicted

evilevilcouch@gmail.com: but it's getting better, like, i got over here at a normal time

me: I know, I've been telling you that

evilevilcouch@gmail.com: well, i know, but like

evilevilcouch@gmail.com: it's hard for some reason for me

evilevilcouch@gmail.com: i think part of my reluctance for not being at my place more over the past few weeks was because i knew that my presence was helpful in some manner for you

evilevilcouch@gmail.com: but it's messed me up in the head more than anything atm

evilevilcouch@gmail.com: and my body aches

evilevilcouch@gmail.com: i'm getting too sucked into your world

me: yeah, I don't want you freaking out and crying over here when you get upset, so I'd rather you be there and getting your work done so you'll be hapy

evilevilcouch@gmail.com: heh

evilevilcouch@gmail.com: i mean, it's better now, but my body is aching

evilevilcouch@gmail.com: somethings stagnant inside

evilevilcouch@gmail.com: i don't like it

me: get it checked out if it doesn't go away

evilevilcouch@gmail.com: i'm speaking in a more eastern way

evilevilcouch@gmail.com: haha

evilevilcouch@gmail.com: it's like my mind has lost connection to my body and the here and

now and rest of reality and my former self

evilevilcouch@gmail.com: and i'm just lost in you

evilevilcouch@gmail.com: and that's not healthy

evilevilcouch@gmail.com: it's not healthy at all

me: nope

me: again, I agree with you

evilevilcouch@gmail.com: i want to help you all i can but i'm fucking myself over in the process

evilevilcouch@gmail.com: and i'm forgetting myself

me: I don't need you to do those things, so please don't fuck yourself over

evilevilcouch@gmail.com: my flow of energy has been all jumbled

me: all I really need from you is a couple of posters

evilevilcouch@gmail.com: i don't really know what i'm doing on the day to day and feel a bit lost

evilevilcouch@gmail.com: i've lost my sense of time

evilevilcouch@gmail.com: usually i'm very cognizant of time

me: and you're not able to get your own work done either, so really you need get back in your schedule

evilevilcouch@gmail.com: and its passing

evilevilcouch@gmail.com: and am able to plan about my day well

evilevilcouch@gmail.com: and my week

evilevilcouch@gmail.com: and allocate varying time slots for the various things that i need to do

evilevilcouch@gmail.com: i need to quit the IRC stuffs

evilevilcouch@gmail.com: for like a week or something

me: that's fine

evilevilcouch@gmail.com: i need to get my head back on straight

evilevilcouch@gmail.com: it all lopped off

evilevilcouch@gmail.com: and i just feel silly because i wished that you'd have helped me to do this in the beginning

evilevilcouch@gmail.com: but i got so wrapped up in it all

evilevilcouch@gmail.com: and you preferred staying at your place more

evilevilcouch@gmail.com: and i conceded

evilevilcouch@gmail.com: because you said you were getting off of suboxone

evilevilcouch@gmail.com: and i didn't want to cause you more stress

evilevilcouch@gmail.com: but then i just ended up being stressed the entire time

evilevilcouch@gmail.com: it's not healthy

evilevilcouch@gmail.com: but i don't know how to tell you things

evilevilcouch@gmail.com: oh crap gtg i think chris is here

evilevilcouch@gmail.com: oh wait nm

me: I'm not sure I agree with your account of what happened

2 of 3 **evilevilcouch@gmail.com:** oh i'm being very abstract

evilevilcouch@gmail.com: oh wait he's here nm

me: he can't get in gate

me: he just called

me: I know you're upset in general right now but I'm kind of freaked out that you think that's a fair rendition of what happened

me: additionally, I told you several times that you should spend more time at studio or home and you didn't do it

me: I can't control you and I shouldn't
